In re Application of :
ROBERTS, GIDEON : DECISION GRANTING PETITION
Application No. 10/775,036 : TO RESET PERIOD FOR REPLY
Filed: February 9, 2004 :
For: **APPARATUS AND METHOD FOR** :
MAKING MEASUREMENTS IN :
UNIVERSAL MOBILE :
TELECOMMUNICATIONS SYSTEM :
USER EQUIPMENT :

This is a decision on the petition filed on August 31, 2006, requesting that the shortened statutory period for reply set forth in the Office communication mailed on April 5, 2006 be reset.

The petition is **GRANTED**.

A review of the record indicates that the Office action mailed April 5, 2006 was returned to the Patent and Trademark Office by the U.S. Postal Service as undeliverable. This returned mail is prima facie evidence of non-receipt of the Office action by applicant. Since applicant has responded to the action (apparently retrieved from the Office's PAIR system), the Office action will not be re-mailed. Applicant responded to the Office action on October 4, 2006 and included a petition and fee for three months extension.

Accordingly, the three month extension fee of \$1,020.00 will be refunded to Deposit Account No. 502032.

The application was previously forwarded to the examiner for treatment of applicant's response. A Notice of Allowance was mailed October 17, 2006.
